A note from the Farmer's Wife

The concept of the Farmers Wife Distillery was formed sharing a fine gin with friends. Living in the country, as 3rd generation farmers, we were inspired to share our love of country life and our passion for creating something unique. I knew it had to incorporate all of my passions: I wanted to create something that encompassed my love for growing food and gardening, my love of family, friends and community and the idea of mastering different flavours to produce something unique and special.

The sense of place to gather is as important as the creation and we would love for you to join us on our journey as we build and grow a home for the Farmer's Wife spirits and most importantly to be inspired by the magic of craft distilling.

Venue Overview

A place to gather and share the passion of craft distilling is as important as the spirit itself. The Farmer's Wife has created a distillery door that reflects all of the things that first inspired her craft distilling journey. A place where people can come and, as Kylie herself was, be inspired by the magic of craft distilling.

Enjoy a seasonal tasting flight or one of our relaxed dining options, all designed to complement your tasting experience. Finish your visit with a cold beer, glass of wine or one of our perfectly curated cocktails from the bar.

Located 45 minutes north of Newcastle and only 30 minutes from Newcastle airport, along the scenic Bucketts Way. The Bucketts Way is an enjoyable country drive that meanders through rolling green hills and small rural communities and is the gateway to the Barrington Tops National Park.
